

“making golf enjoyable  
for everyone”

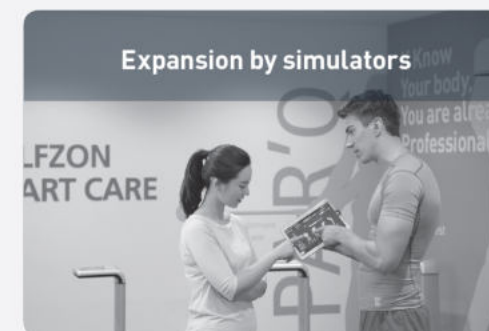

We wish to share the pleasure  
of golf with you.

Learn GOLF Enjoy GOLF Communicate by GOLF

TOTAL GOLF COMPANY  
**GOLFZON**

In 2000, one engineer who loved golf drove a tee shot of a new golf culture that combined golf and IT. GOLFZON offers novelties, pleasures, and benefits by creating brand new spaces, products, and services that combine Golf, IT and culture.

Making ceaseless efforts, GOLFZON was listed on KOSDAQ in 2011 and has continued to grow based on cutting-edge technology. GOLFZON is expanding the business areas beyond the golf simulators.

2011	Listed on	<b>KOSDAQ</b>
2016	Total Sales	<b>187</b> Million USD
	Business profits	<b>39</b> Million USD

Regardless of  
weather and season

365 days, anytime,  
anywhere

Able to enjoy and

VISION allows you to play golf and to practice golf in various spaces of every day, not just at the driving range.

Round of Golf

You can enjoy golf with friends and family in a comfortable place.

- Home & Office
- Tournament Game
- Bar & Pub & Restaurant
- Hotels & Resorts
- Mall & Store & Arcade
- Car Dealership Center for waiting costomer

Practice Golf

You can improve your golf skills by checking and practicing my golf skills in locations.

- Driving Range & Golf Courses
- Indoor Golf Lounge
- School
- Sports Complex
- GYM & Fitness

# As real As It Gets

VISION allows you to play on real-life golf courses. Aerial photographs, and real sound produce unmatched course realism.

## High Definition & Realistic 3D graphic & Real Sound

Combining with high definition resolution images and aerial photographs, GOLFZON gives you realistic experience while rounding golf. Thus real sound based on multi-channel surround systems such as bunker and hazard shot can make you feel on a real golf course.

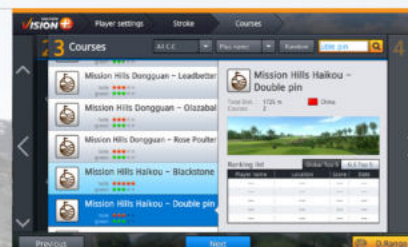

## Realistic shot reflection and field experience.

GOLFZON's most strength is the simultaneous shot reaction after hitting the ball. Also 9 Hole based 3D graphic can make you possible to look at the ball going beyond the next hole.

## Over 160 Golf Courses around the world

Not only Europe but also Asia, GOLFZON has served various golf courses around the world.

## Altitude for training

Ball flight and distance can change according to the air density, temperature. To adjust each country's environment, set altitude mode for more accurate practice.

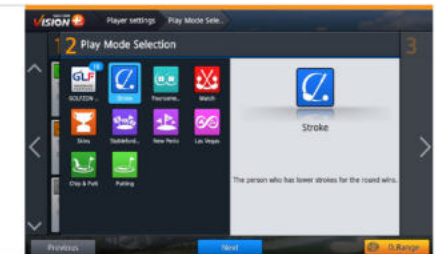

# Customize your round of golf

Set up your round of golf's condition such as the weather, wind intensity and a type of match.

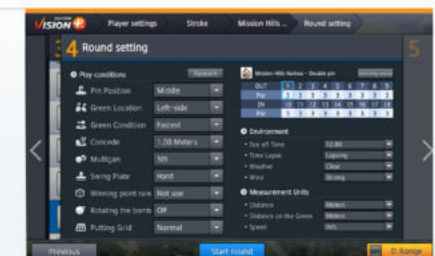

## 7 play modes

With a total seven play modes including Stroke, Match, and Foursome consist of VISION to entertain.

## Customized game setting mode

Golfers can choose weather condition from sunny to cloudy, and tee up time from 6 A.M to 6 P.M. Various game setting modes express each golf course condition to add more pleasure.

- Pin Position \_ Middle
- Green Location \_ Left-side
- Green Condition \_ Fastest
- Concede \_ 1.00 Meters
- Mulligan \_ 5th
- Swing Plate \_ Hard
- Winning point rule \_ Not use
- Rotating the bomb \_ off
- Putting Grid \_ Normal

AM 8:00

VISION Premium

The image shows a large, modern indoor lounge with a high ceiling and a staircase on the right. In the center, a large 3D golf simulator is set up on a raised platform. The simulator screen displays a golf course scene with a green, a body of water, and a leaderboard on the left. The leaderboard shows the following data:

Rank	Name	Score
1	John	529.2yd
2	John	529.2yd
3	John	529.2yd
4	John	529.2yd

The simulator is surrounded by a dark green mat. In the foreground, there is a black glass coffee table with a bottle of wine, two glasses, and a stack of books. The overall atmosphere is sophisticated and modern.

# so realistic that you'll forget you're playing golf indoors.

*Nothing can beat golf in an outdoor environment.  
But VISION Premium makes a compelling alternative.*

## 1 T1 Sensor

T1 sensor using high-speed camera provides the most accurate measurement. Also, T1 sensor is installed on the ceiling, the booth is wider than ever. You feel like standing on tee box.

## 2 Swing Plate

Swing Plate automatically adjusts to uphill, downhill, and sidehill lies by simulating course slopes from the tee box to the putting green.

## 3 VISION Mat

Fairway, rough, green mat deliver an environment similar to real golf courses.

**Recommended Size:** (H x L x W) 10 x 23 x 13.2ft / 3 x 7 x 4m

# Specification

## Swing plate

A secure and spacious swing plate that automatically reflects the elevation of the ground where the ball is.

## Auto Tee-up

Automatic ball feed during games for your convenience. Rubber tee is replaceable after use. Minimum recommended ceiling height for installation 10 ft(3m).

## VISION Console

size: (W x L x H) 2 x 1.2 x 3.2ft / 600 x 360 x 950mm  
weight: 41kg

## Swing Replay Camera

resolution: VGA 640 x 480  
frame: 30fps

## Projector

resolution:  
WUXGA 1920 x 1200  
brightness: 6000 ANSI

# Option

## + Curved screen

size: (W x H) 20 x 11.5ft / 6000 x 3500mm  
Requires NP30ZL optional lens fitment

## + Software: GDR (GOLFZON Driving Range)

## + Software: GOLFZON ARCADE

# VISION Standard

# The best platform option designed for a broad audience.

*Convenient installation, competitive price, VISION Standard is your sensible choice.*

## 1 T2 Sensor

The ultrahigh speed dual-camera sensor installable with no constraint, uses stereo vision technology to provide the most accurate data possible.

## 2 T2 Kiosk

Touch screen monitor, front camera, and operating pedals are all included in the T2 Kiosk.

## 3 Swing Plate

Swing Plate automatically adjusts to uphill, downhill, and sidehill lies by simulating course slopes from the tee box to the putting green.

**Recommended Size:** (H x L x W) 10 x 23 x 13.2ft / 3 x 7 x 4m

# Specification

## Swing plate

A secure and spacious swing plate that automatically reflects the elevation of the ground where the ball is.

## Auto Tee-up

Automatic ball feed during games for your convenience. Rubber tee is replaceable after use. Minimum recommended ceiling height for installation 10 ft(3m).

## T2 Kiosk

size: (W x L x H) 2.3 x 1.2 x 3ft  
/ 704 x 363 x 938mm  
weight: 46kg

## Swing Replay Camera

resolution: VGA 640 x 480  
frame: 30fps

## Projector

resolution: XGA 1024 x 768  
brightness: 5000 ANSI

# Option

## + Cube booth

size: (W x L x H) 9.3 x 12.1 x 8.2ft /  
2840 x 3700 x 2500mm

# VISION Compact

**NHẬN CUNG CẤP VÀ THI CÔNG PHÒNG TẬP GOLF 3D GOLFZONE**

**Trụ sở chính: Số 90 Đường số 8, P11, Q. Gò Vấp, TPHCM**

**Hotline: 0917.358.808**

State-of-the-art technology, simple to setup while offering players a robust golfing experience.

*Meet the easy-to-assemble VISION Compact, simple as can be, though providing all aspects of enjoyment.*

### 1 T3 Sensor

GDR T3 sensors based on high-speed camera analyze club paths and attack angle through head and ball movements. By accurately measuring the trajectory of the ball, you can practice golf for more precise shots.

### 2 Compact Kiosk

Compact Kiosk is all-in-one style with built-in sensor and system with touch screen.

### 3 Easy Installation

VISION Compact can easily install with only six screws without additional calibration to improve sensor accuracy.

**Recommended Size:** (H x L x W) 10 x 16.4 x 8ft / 3 x 5 x 2.5m

# Specification

## Compact Kiosk

size: (W x L x H) 1.5 x 1.3 x 3.4ft / 443 x 410 x 1042mm

weight: 38kg

## Auto Tee-up

Automatic ball feed during games for your convenience. Rubber tee is replaceable after use. Minimum recommended ceiling height for installation 10 ft(3m).

## Swing Replay Camera

resolution: VGA 640 x 480

frame: 30fps

## Projector

resolution: 1024 x 768

brightness: 3200 ANSI

# Option

## + Cube booth

size: (W x L x H) 9.3 x 12.1 x 8.2ft /

2840 x 3700 x 2500mm

## + Software: GDR (GOLFZON DRIVING RANGE)
